PROFESSIONAL SUMMARY

Results-driven Marketing Designer with 6+ years of experience creating high-performing visual assets across digital, print, social, and performance marketing channels. Proven ability to translate business and marketing goals into conversion-focused creative solutions that drive engagement, visibility, and campaign performance.

Experienced in leading end-to-end creative execution across campaign ideation, concept development, and final delivery while maintaining strong brand consistency. Adept at working in fast-paced, high-growth environments with rapid iteration cycles and leveraging AI tools to accelerate ideation, concept generation, and campaign variation production.
